Couples: Please Read

June 2019

Dear Couples:

Congratulations on your engagement! Should you choose to request to be married at Saint Jude Church, we would like to do all that we can to help make this experience a true celebration for you and your families.

Attached to this brief letter is a copy of our marriage policies. I would ask that you please take the time to read them thoroughly. These policies exist to enhance the experience of the marriage liturgy. Before moving forward with the final scheduling of your wedding, you will need to read over the enclosed policies, sign the agreement form, and pay a non-refundable deposit. ***This must be done prior to your first meeting with the priest.***

I would make one suggestion to you at this point: many couples fail to read over these policies and are, at times, caught off guard and surprised by some of the contents contained herein. I cannot stress enough the need for you to read them before meeting with the proposed celebrant of your wedding.

Thank you very much. Congratulations. Please be assured of our prayers for you as you prepare to take this very important step in your lives.

Sincerely yours,

This agreement must be signed by the photographer and videographer. Please understand that this agreement is extremely important and must be respected.

(Second Preface, The Rite of Marriage During Mass)

These marriage policies are effective

St. Jude the Apostle Parish

Wedding Personnel

– **Beginning 9/21/20**, all phone calls related to any aspect of weddings: scheduling, questions regarding the process or ceremony, and the scheduling of marriage prep appointments with Fr. Trey should be directed to Father Trey at 225.766.2431. **Please note the following: no conversation will be had with anyone other than the bride or groom regarding a wedding. Please do not ask parents or others to contact our office for you. As the bride and groom, one of you must do this.**

Music Resources – All music selections must be approved at least one month prior to the wedding date. **Please note that no pre-recorded music is permitted.**

Mrs. Kendall Hebert – Kendall is our parish Wedding Coordinator. As is stated in our marriage guidelines, she is the only coordinator allowed to serve in this role. There is a fee for her services. Her role has basically three parts: discussion and planning with the couple prior to the wedding regarding the ceremony itself; conducting the rehearsal; and being present to coordinate the ceremony on the day of the wedding. Please do not contact Kendall initially. She will contact you after the pre-scheduling process has been completed with our office. (See above).

Fr. Trey Nelson – Pastor of St. Jude Parish. At present, Fr. Trey facilitates the process of marriage preparation of couples for whose wedding he will be the celebrant. Please note: Fr. Trey does not conduct marriage preparation if he is not the scheduled celebrant of that wedding, and he does not celebrate weddings outside of St. Jude Parish. Father Trey can be reached at 225-766-2431.

Communication with Parish Office

To ensure the most accurate communication regarding any wedding in St. Jude Parish, we ask the following procedures be followed:

1. Please make all initial contact **by way of a phone call, not email.**
2. Again, as mentioned above, the bride or groom must make all inquiries regarding a wedding. No conversations will be had with anyone other than the bride or groom.

St. Jude the Apostle Parish

Wedding Coordinators

St. Jude Parish has one wedding coordinator. *Our Wedding Coordinator is the only coordinator allowed to assist with the preparation of the wedding ceremony, to conduct the rehearsal and assist with the ceremony itself.*

Regarding the planning of your wedding ceremony, our coordinator will assist you and contact you initially after you have completed the necessary pre-scheduling paperwork, paid the church deposit, and finalized your date with the church.

The fee for the Wedding Coordinator is \$300 (\$150 for the rehearsal and \$150 for the ceremony). This fee also includes all preparation prior to the rehearsal and ceremony dates. This fee is paid directly to the Wedding Coordinator at the time of the rehearsal and is a separate fee from the church fees.

The following is a brief outline of the Wedding Coordinator's job description:

Review (completely) with each couple the sections of the policy packet pertaining to the ceremony itself.

1. Explain to the couple the prescribed outline of the wedding ceremony itself, whether wedding takes place within or outside of Mass.
2. Assist the couple in the selection of the scripture readings for their wedding.
3. Conduct the wedding rehearsal.
4. Be present to assist with the start of the wedding ceremony.

The Wedding Coordinator serves as the liaison to the couple (bride & groom) and the church office for questions regarding the rehearsal and ceremony. All communication and planning regarding the P.M.I. and other pre-Cana visits with the ceremony celebrant will still flow through the priest and church office.

St. Jude the Apostle Parish

Policies Specific to: *Fr. Trey Nelson, Pastor* *and Potential Guest Celebrants for Weddings at St. Jude*

Fr. Trey Nelson

Father Trey does not celebrate weddings outside of St. Jude Parish.

GUEST CELEBRANTS

Priests and Deacons currently serving in the Diocese of Baton Rouge are welcome to preside at weddings in St. Jude Parish. They are asked to contact the pastor of St. Jude, either verbally or in writing, to request delegation. Delegation is a requirement and must be requested at the beginning of the marriage preparation process.

Priests and Deacons of a Diocese other than Baton Rouge or a religious order must contact the pastor of St. Jude, either verbally or in writing, to request delegation. Delegation is a requirement and must be requested at the beginning of the marriage preparation process.

Also, priests and deacons of a Diocese other than Baton Rouge or a religious order must contact the Chancery Office at the Diocese of Baton Rouge to request permission for ministry in the Diocese of Baton Rouge. This is mandatory and must take place at the beginning of the marriage preparation process.

The Preparation, Time, Day and Place of Weddings

1. MARRIAGE PREPARATION: *Length of Time and Elements Involved:*

- a. The required waiting period prior to the celebration of marriage is 6 months, assuming that no prior bond and the need for an annulment exists. No couple may be married any sooner than 6 months from the day that they approach the priest about being married.
- b. The role of the priest in marriage preparation is to assess the couple's readiness for marriage. If for some good reason the priest (conducting the preparation) discerns that a couple's marriage should be postponed, no other cleric may be allowed to celebrate their marriage without permission of the local Bishop.
- c. There are four elements involved in marriage preparation. The first is the completing of a "prenuptial instrument," in this case, the "P.M.I.," which stands for "Pre-Marriage Inventory," or another appropriate instrument, to be determined by the priest facilitating the marriage preparation. A couple is given the instrument during their first meeting with the priest and asked to take it home with them and complete it as soon as possible. Upon completing the P.M.I., the couple should return it to the church office for processing. Once the results are processed, the priest will then telephone the couple for their next appointment. During that appointment (and usually one more to follow) the priest and couple review the P.M.I. results.
- d. The couple is also asked to schedule and attend one of the Diocesan pre-marriage couple's retreat, entitled, "Engaged Encounter" or "Called to Love." The priest will make registration information available to you in your first meeting with him. In the meantime, you may wish to visit www.mfldiobr.org for information regarding dates and registration.
- e. After the review of the P.M.I. results and the pre-marriage weekend are complete, the priest and couple will meet one more time to finalize the plans for the wedding ceremony itself. (At some point between their first meeting and this meeting, the priest will give the couple a wedding ceremony planning guide.) All appointments with the priest are scheduled by Father Trey.
- f. The overall purpose of the process of marriage preparation is for the priest to assist the couple in discerning as best as possible the meaning of the sacramentality of marriage, to give the couple an opportunity to reflect on the strengths in their relationship, their faith life, and the challenges that they will face in married life, as well as to give the couple and priest a chance to get to know each other better.
- g. In review, the average process of marriage preparation is outlined as follows:
 - g.1- Couple makes initial contact with priest at least 6 months prior to wedding

- g.2- Initial meeting, priest outlines process and gives couple the “P.M.I.”
- g.3- Couple schedules and attends a Pre-Marriage weekend
- g.4- Priest sets appointment with couple to review P.M.I. results
- g.5- Priest assists couple in planning their wedding ceremony
- g.6- Usually, in total, this process consists of 4 meetings with the priest
- h. All contact with the priest regarding marriage preparation and the wedding ceremony itself must be made by either the bride or groom.
- i. All marriage preparation must be done by the priest who will actually celebrate the wedding itself.

2. WEDDINGS IN THE DIOCESE OF BATON ROUGE: *Time, Day, and Place:*

- a. In the Diocese of Baton Rouge, weddings may not be celebrated on Sundays or holy days of obligation.
- b. In St. Jude Parish, the latest that a wedding can start on Friday evening is 7:00 p.m. Only one wedding can be scheduled on Fridays; only one wedding can be scheduled on Saturday. The latest that a wedding can start on Saturday is 1:00 p.m.
- c. In St. Jude Parish, weddings may not be celebrated during the Season of Lent, specifically, from Ash Wednesday through the weekend following Easter Sunday.
- d. In St. Jude Parish, weddings may not be celebrated during the Seasons of Advent and Christmas, specifically, from the Friday of the first weekend of Advent through the first weekend following January 1st.
- e. No wedding date and time is final until the priest himself has confirmed this with the couple.
- f. In the Diocese of Baton Rouge, no wedding ceremony may take place outside of the church building (place of worship).
- g. Persons who do not reside in the geographical area of St. Jude Parish but have some tie to the community may celebrate their wedding at St. Jude Church, with the permission of the pastor.

3. REGARDING INTER-FAITH MARRIAGES: *Also known as “Mixed” Marriages:*

In the Diocese of Baton Rouge, “the celebration of a mixed marriage most appropriately takes place at a non-Eucharistic ceremony,” also known as “The Rite of Marriage Outside of Mass.”

4. PRIESTS OR DEACONS NOT FROM ST. JUDE PARISH:

A priest or deacon not currently assigned to St. Jude Parish may preside at your wedding. In order to do so, the following are required:

- a. If from within the Diocese of Baton Rouge, he must request (in writing) delegation (permission) from the current pastor of St. Jude Parish. This letter must be sent directly to the pastor by way of regular mail before the wedding can be scheduled.
- b. In recent years, the policy and process for visiting priests (from another Diocese) have been revised and are very specific. If from outside of the Diocese of Baton Rouge, a priest or deacon must follow these policies. He must contact the Bishop of that diocese and follow the normal process regarding “testimonial of suitability for ministry.” After this has been done, he must request (in writing) delegation (permission) from the current pastor of St. Jude Parish. This letter must be sent directly to the pastor by way of regular mail before the wedding can be scheduled.
- c. *Any priest or deacon who is then scheduled to preside at a wedding (at St. Jude Church) must himself conduct the entire process of marriage preparation with the couple. He is also responsible for sending the completed pre-marriage preparation file to the church office no later than 1 month prior to the wedding.*

5. THE WEDDING CEREMONY: *Planning, Music, Decorations, and the Wedding Party:*

- a. All questions regarding the wedding ceremony itself should be directed to our Wedding Coordinator.
- b. “Wedding Coordinators” other than those supplied by our church parish are not allowed. The planning and the conducting of the wedding rehearsal will be done by the coordinator assigned to your wedding.
- c. All questions regarding music, musicians, particular songs, and so on should be directed initially to Fr. Trey in your meetings with him. Please do not contact singers or musicians first.
- d. The wedding ceremony will begin and conclude with a normal liturgical procession, including cross-bearer, readers, groom along with priest, wedding party, and the bride with her escort. The specific order of this procession is as follows:
 - d.1- Cross Bearer
 - d.2- Readers
 - d.3- Groom and Priest
 - d.4- Wedding Party (two by two)

d.5- Bride (and Her Escort)

- e. The wedding rehearsal must be scheduled when the wedding itself is scheduled. Wedding rehearsals may not be scheduled to begin any later than 7:00 p.m.
- f. During the wedding ceremony, ***the following are not allowed:***
- Unity candle - since the unity candle does not have its origin in the Catholic Rite of Marriage, it may not be used during the wedding ceremony.
 - Wedding aisle runner
 - No trollies or busses of any type may be driven across the front plaza.
 - The tossing or throwing of any type of confetti-like substance, flower petals, rice, bird seed, or any other similar materials (inside or anywhere on church property), may not be thrown at any time, before or after the ceremony. It is helpful to advise guests of this policy before the wedding date. This kind of salute to the couple is more appropriate for your reception.
 - Flash photography or video lighting (Please see photography/videography agreement, p. 3 of this packet.)
 - Reminder that no drones are allowed on the church property at any time.
- g. Children participating in the wedding must be at least 5 years of age. ***This is non-negotiable.***
- h. Readers and gift-bearers at a Wedding Mass must be practicing Catholics.
- i. For a non-Eucharistic wedding ceremony (no Mass), at least 1 reader must be a practicing Catholic.
- j. A couple may invite a friend or family member to assist with the distribution of communion, if that person is currently a eucharistic minister in his or her Catholic parish. For Mass during which the Precious Blood (cup) will be offered, you will need 3 ministers (other than the celebrant.) For Mass without, you will only need 1.
- k. Couples are asked to pay a wedding/utility fee. These fees are as follows:
- k.1 For Parishioners, the fee is \$300.00.
 - k.2 For Non-Parishioners, the fee is \$500.00.
 - k.3 At the beginning of the preparation process (and prior to their first meeting with the priest) couples are to pay a non-refundable deposit:

Parishioners \$200.00; Non-Parishioners \$300.00. This is applied to the overall wedding/utility fee for the church.

- k.4 The remaining balance of the fee must be paid no later than 1 month prior to the wedding itself.

Note: This fee does not include the Wedding Coordinator fee. The Wedding Coordinator fee is paid directly to the Wedding Coordinator at the time of the rehearsal.

- l. Scheduling for the delivery of flowers to the church and for decorating the church must be coordinated with the receptionist at the church office (225.766.2431). Couples will be asked early on in the process whether or not they will leave their floral arrangements in church after their wedding for use during weekend Masses. **Note: The church office closes early on Fridays at 12:00 noon.**
- m. Photographers and videographers are not allowed at all in the sanctuary area of the church. (The sanctuary area is the altar area.) **It should also be noted that Father Trey does not wear microphones for recording purposes (i.e.- video.) Please see the separate photographer/videographer agreement, page 3 of this packet.**
- n. Candles may not be attached to the pews. Any candle/holders in the main isle must be free standing, candles must be dripless, and no glass globes. The style and type must be approved through the church office.
- o. Church decorations already in place at the time of the wedding ceremony may not be altered.
- p. Wedding photographers or videographers are not allowed to assist with the coordinating of the wedding itself. They should remain within their role of photographer. This has been known to cause confusion. Please make this clear to your photographer(s). **Our church has an Audio-Video Room—no one is allowed in this room for any reason. There is no use (streaming and/or recording) of the monitors or audio-video equipment during the rehearsal or ceremony. Refer to page 3, Photography and Videography Agreement.**
- q. The maximum number of attendants allowed to stand in a wedding is 14 total (this means 7 and 7, including adults and children.) As a reminder, children must be 5 years of age or older at the time of the wedding, in order to participate in the wedding.
- 6. FLOWERS:** No flowers are to be placed on the altar (table). No floral arrangement should obstruct the view of the altar or interfere with the ceremony. The pulpit (ambo) and the readers should be clearly visible from all parts of the congregation out of respect for the Liturgy of the Word. If there is any question about placement of flowers, please consult the Wedding Coordinator no later than 2 weeks prior to the wedding.

7. **THE CIVIL MARRIAGE LICENSE:** The civil marriage license (obtained from the Clerk of Court Office) must be delivered to the parish office no later than Tuesday of the week of the wedding, as the wedding scheduler must complete certain information on the license. The completed license will then be mailed by the church office to the East Baton Rouge Clerk of Court.
