

BROWN BAG OFFERING

Hi Families!

We are excited to announce that the St. Jude Family Life Ministry will be participating in the **11th Anniversary of the Brown Bag Offering!**

The Gardere Initiative will have the same needs this summer as in the past. The individuals working to make these camps in Gardere possible and those participating in the summer camps for the children in the Gardere neighborhood appreciate the time and resources everyone gives them to make this happen.

St. Jude will be providing lunches the week of July 18-21, with 100 lunches per day.

- Please reply to carolannanadeau@gmail.com with the number of lunches you'd like to provide and which day you will provide them.
- For the day you have signed up, a drop-off that morning is available at the Nadeau Home, 2218 Hillridge Ave, Baton Rouge, 70810, between 10:00-10:45 am.

Here are the 5 items to pack in each bag:

1. sandwich with meat (turkey or ham), no condiments, or a PBJ sandwich (creamy peanut butter)
2. fresh fruit (banana, orange, small apple, "cuties")
3. chips/crackers
4. cookies/fruit snacks
5. water bottles

Please help us feed our neighbors in need this summer.
